

PURCHASES FORD SEDAN

Classiest Car in This Part of the State
Is Now the Property of
Ben Anderson.

Ben C. Anderson on Tuesday of last week purchased the new Ford sedan from the Keeler-Coursey company, the price being \$1,025, f. o. b. Alliance. Mr. Anderson is now the possessor of the classiest small car on the road, it being the only completely enclosed car in western Nebraska. In addition to the regular equipment, the car has been fitted with electric lights and starter. The inside is profusely upholstered with rich goods, and the front seats are independent of each other, each having folding backs, so that only one on each side is necessary. It is made somewhat on the order of the high priced sedans, but it has them beat considerably when it comes to weight and upkeep, and for "nifty" appearance.

The Keeler-Coursey company expect to sell many more of these cars, and will have some on hand soon.

CHADRON NORMAL NOTES

Interesting Items from Western Nebraska's State Educational Institution at Chadron

A quantity of new furniture, including chairs and cots, has been received for the dormitory.

The new chairs for the chapel have arrived, and five dozen chairs for the library have been ordered.

Mrs. Alva Slattery, Mrs. Roy Slattery, Mrs. Osborn and Mrs. Godden were visitors in the primary room last week.

A beautiful bouquet of red and yellow tulips is, decorating Miss Paine's desk in the mathematics department.

Mr. and Mrs. Nowlin of Harrison spent the week end at the dormitory visiting their daughters, Misses Jessie and Bessie.

Ernestine Thomas and Josephine Chalfant went to Whitney Thursday evening for a week end visit at the home of Miss Thomas.

The eighth grade have begun rehearsals for the closing day program. Their part in the entertainment is the dramatization, "A Son of the Yemesee".

The pupils and teacher of the eighth grade were delightfully entertained last Monday evening at a six o'clock dinner, by Mrs. William Chauk, in honor of her son William.

Miss Clara Wilson, of the Saratoga School, Lincoln, will direct the kindergarten this summer, assisted by Miss Bessie Frary. The school will be held in the basement of the Congregational church.

Under the direction of Miss Nellie Morrissey, the second grade number class made a booklet containing the multiplication tables. The cover design is a yellow daisy done in water colors.

Miss Scott's class in third grade geography have completed their Nebraska booklets. The fourth grade geography class have commenced their booklets on South America, under Miss Conn's direction.

On Wednesday, May 26, the Alice Freeman Palmer society gave a May Day program, in the chapel, consisting of music, literary features, a May pole dance, and the crowning of the May queen.

Miss Frazier and Mrs. Rustin entertained the members of the faculty and a few other friends at the home of Mrs. Rustin last Saturday evening. A delightful evening was spent at Somerset, and delicious refreshments were served.

Owing to the weather, the game between the normal and city teams was called off after one inning. Flanders and Lucas made up the city battery, Emick and Eversull playing for the normal. Wiggins of the normal made the only score, in the short time played.

Accommodation for more people at the dormitory is being planned for the summer term, especially for the equipment of the dining room and kitchen. All the rooms in the dormitory were taken by last Wednesday, and sixteen more applicants were turned away. They are now planning for the use of the attic.

We are glad to be able to report that Miss Winnie Willis is again able to be about after her attack of the measles. Great precaution has been taken during her illness to prevent contagion. Miss Willis, being unable to resume her regular school work, will leave for her home out on Pepper Creek as soon as she is able to make the trip.

President Sparks left Thursday evening of last week for Lincoln, where he attended a meeting on Friday evening given by the Schoolmasters Club, in memory of Dr. Bessey. Another day was spent in a meeting with the four normal school presidents for the purpose of revising the rules and course of study. They worked especially on the requirements for an elementary state certificate with a special view to planning to make a more serviceable certificate.

Last week the practice teachers observed some very interesting lessons in Miss Delzell's room. Monday morning, a lesson in personal hygiene was presented. In this lesson the pupils were taught how to sit and stand correctly. Tuesday morning, the pupils studied the silk industry, using exhibits of the silk worm and silk products. Wednesday morning, the life and writings of Whittier were taken up, and on Thursday morning the time was spent in reciting Whittier poems. Friday morning the practice teachers were taken to the domestic science kitchen where they watched the eighth grade girls make strawberry shortcake. When the cakes were done, they were served to the practice teachers much to their surprise and appreciation.

On Monday of last week, J. C. Dillon, pastor of the Methodist church, was up to visit chapel. He gave a

very interesting talk on the opportunities before the students, which should be realized and made use of. Mr. Dillon has visited chapel several times this school year, and his talks are always appreciated by the students.

The new chairs for the chapel have been shipped from Chicago, and will probably be in use before long.

Mrs. O. M. Daniel and Mrs. Mell Eaton of Rushville attended the Mother's Day program given by the A. F. P. Society on Friday afternoon.

The class in advanced physics will finish their class work in a few days. They will spend the remaining time in the laboratory.

The advanced chemistry class have just begun the analysis of general unknowns. As these unknowns may contain any combinations of over fifty materials, they will be very interesting.

Equipment for two additional tables in the domestic science department has been ordered. If the need for new equipment has increased this much since it began, what will it be in the future?

The young women of the Y. W. C. A. are rejoicing in the fact that they will be able to send a number of delegates to the convention at Estes Park in the latter part of August. Several others are planning to accompany the delegates, so that our organization is assured of being well represented.

On Friday a fast and close game of baseball was played between the high school and the normal, which resulted in a score of 4 to 3 in favor of the former. The normal battery was McIntyre and Eversull, and the high school Flanders and Weymouth. Runs: Eversull 1, Flanders 1, Gordon 1, W. Sparks 2, Weymouth 2. A good crowd filled with enthusiasm was reported.

Since it was decided that school be dismissed on Friday afternoon because of the ball game, the pupils in Mrs. Rustin's room used the last period of the morning for the program which they had prepared in commemoration of Mother's Day. A short business meeting was held, after which a number of songs were sung and Irma Stockdale read a very nicely written account of the origin and history of Mother's Day.

During the past week, the training class observed in Miss Driscoll's room. Lessons from various subjects were presented, consisting of work in geography, spelling, picture study and music. The work in picture study was especially remarkable. In reviewing this work a good many children were able to write the names of all the artists studied, dates of each one's birth and death, and an important picture of each.

Last Saturday, the class of '17 enjoyed a picnic out in Naylor's grove on Bordeaux creek. Despite the many discouraging predictions, the day proved one of the most beautiful of the spring. At 6:30 in the morning the car containing the breakfast committee left town. This was closely followed by the commissary car in charge of Mr. Everett Northrop. The class soon followed in the

A NEW PLAN TO SAVE Money on Your Live Stock

By insuring your live stock in transit against
all hazards of transportation

Up-to-date shippers of live stock are taking advantage of the new opportunity offered by the "Hartford" Complete Live Stock Transit Policy. It is a great benefit to a shipper to know the cost of a consignment of stock delivered at any market

Without Guessing

Live stock commission men have endorsed the plan. Progressive buyers are calling for the broad protection of Complete Live Stock Transit Policies. Individuals are saved from ruin, and the "funeral train" that daily hauls the dead animals away from all big stock yards need not worry you.

The Hartford Fire Insurance Co.

Established 1810

Hartford, Conn.

Is the only company offering to producers, buyers, and shippers of live stock a broad policy, easy to understand, clear in its terms, which gives absolute protection against loss from all hazards of transportation, including suffocation, freezing, trampling, fire, collision, train-wreck, and every form of killing or injury while the animals are in the custody of a common carrier.

The rates are low; THE POLICY GIVES THE SHIPPER A CHANCE TO PLAY SAFE in building up a business by insuring his live stock on the way to the market. BE SURE and insure today. The next shipment you make may be a total loss.

The "Hartford" pays promptly, whether the railroad company is liable or not. Losses settled and paid on the basis of cash market value.

NOTICE!

It has come to my attention that parties working in western Nebraska claim to be connected with me or represent me in the killing of

Prairie Dogs

This will notify all concerned that I am operating alone and that the only parties connected with me are the men in my employ who are doing the killing of the dogs on contracts made by me. Any making contracts with other parties for the killing of the dogs on their land do so at their own risk. I use my own secret methods and

I Guarantee My Work

to be effective. By permission, I refer to Pat Nolan, Perry Mailey, Arthur Wright, George H. Hagaman, and William Earl, all owners of Box Butte county land. I have contracts with other parties who will be referred to as fast as their work is finished.

If you want to make your land and pasture more valuable and rid yourselves of the pest see that your contracts are made with the original prairie dog exterminators, who guarantee quick and sure results at reasonable prices for the work. Communicate with me at the Nebraska Rooming House or in care of The Herald office, Alliance, Nebraska.

B. S. Payne & Co.

AUTO PARTS

I buy used automobiles of all sizes, kinds and descriptions, tear them down and sell the parts. I have for sale

ASHBY NEWS

Ashby, Nebr., May 18—Frank Swatz of Marindale came down on Sunday to help C. E. Kendall finish the Thurston pool room.

Dr. A. G. Adam from Wayne came in Friday to visit with his mother, out south of town on her homestead. Ashby was visited again by a hail and rain storm Friday.

Hubbard Mercantile Co. received a car load of International Harvester implements this week.

Hyannis comes up here for a game of ball Sunday. Ashby will be strengthened, so come out. A good game is assured.

Cecil Rhodes, T. Todd, Dick Dickerson drove over to Hyannis Friday evening to a school entertainment.

Mrs. Lee Wood of Alliance came down on No. 44 Friday to be with her husband, who has been here doctoring prairie dogs for a number of weeks.

Chas. K. Bassett of Hyannis came up on 43 and returned on 44. He was here looking after the interest of the Grant County Tribune.

Mrs. May Gibson had a fine display of millinery here Tuesday and Wednesday.

Lester Cooley went to several points in Nebraska Sunday. He will be gone several weeks.

Dr. Hoyal went to Mt. Vernon on Sunday. He has been here several weeks in the interest of his ranch.

Dr. Wm. Howell of Hyannis was called up here last week to call on his many patients.

L. Todd spent a few days this week with his folks at Seneca.

Mrs. Clyde Ray came back Sunday from Ottawa, Kansas, where she has been for the past few months

cars of Franklin Pitman, Orpha Carman and F. J. Houghton. Committees had been appointed to prepare the various meals and as a result, the boys, in the words of the poet, only wished that their stomachs were as hungry as their eyes. The success of the picnic was further assured by the hammocks, swings, and ball accouterments which were taken along. Mrs. Eaton spent the day with the class. Mr. Houghton and Mr. Keester were guests at supper. The picnic disbanded about 8 o'clock. Those waiting for the second loads enjoyed stories and songs around the camp fire.

WHOLE FAMILY DEPENDENT
Mr. E. Williams, Hamilton, Ohio writes: "Our whole family depend on Pine-Tar-Honey." Maybe someone in your family has a severe Cold—perhaps it is the baby. The original Dr. Bell's Pine-Tar-Honey is an ever ready household remedy—it gives immediate relief. Pine-Tar-Honey penetrates the linings of the Throat and Lungs, destroys the Germs, and allows Nature to act. At your druggist, 25c. Adv.—No. 2

JULIA E. VAUGHAN

Range Block Omaha, Nebr.

with her mother, who has been quite poorly.

Floyd Downing of near Survey came down Saturday.

Misses Bess and Winnie Keller of out north of Ashby went to Winnie's homestead, north of Hyannis, Friday to spend a few weeks.

John Watts went to Hyannis Sunday for a few days.

Wm. Moore went to Livingston and Billings, Montana, some few weeks past to look for a location. He returned to the hills and went out on to his sister's homestead Monday.

Has any one noticed the smile on Clyde Ray's face this week. You can't blame him.

Mrs. John Skipper spent a few days at the home of C. H. Fields this week.

Novel Advertisement by Burlington
The Burlington Route has issued a novelty which will be pleasing to children and grown-ups who have fallen victims to the craze for collecting art poster-stamps, and has issued a sheet of ten elaborately col-

ored designs representing scenery of the Rocky mountains, Glacier National Park, the Yellowstone National Park and the two California expositions, and also two of the heroes of the great West, Col. W. F. Cody (Buffalo Bill), and General Custer. These pictures are well executed, and are perforated so that they can be detached and pasted in albums or affixed to envelopes. They are being distributed from all Burlington passenger and ticket offices.

Children in almost every community of the United States have taken up the craze with a keenness and thoroughness that is astonishing. In many communities there are youngsters who have collections of from 500 to 1,000 different stamps.

NOTICE
The city council of the City of Alliance, Nebr., will sit as a Board of Equalization at the City Hall, on Monday evening, June 1.
